## Translation

Great is this night of all nights,  
Little Lord, Lord from heaven,  
And there is no night like this night.  
Little Lord, Lord from heaven.

But it is the night of Christmas,  
Of the old Christmas,  
When the Holy Son was born.  
The Holy Son, on this earth.

The Son cries, he doesn't have a home,  
Little Lord, Lord from heaven,  
Only the arms of his mother.  
Little Lord, Lord from heaven.

We worship with health,  
All is well for you to have a portion,  
May Christ give us all  
A long, healthy life.

We walk and carol,  
Little Lord, Lord from heaven,  
We worship these visages.  
Little Lord, Lord from heaven.

Lord from heaven.
